

Navy's FCLP schedule for the period of Nov. 24-30, Wallops Flight Facility

WALLOPS ISLAND, Va.—The following is the U.S. Navy's Field Carrier Landing Practice schedule for Wallops Flight Facility, Va., for the timeframe of Nov. 24-30, 2013.

Nov. 24: None scheduled

Nov. 25: O/I scheduled from noon to 3 p.m.

Nov. 26: O/I scheduled from 5 to 8 p.m.

Nov. 27: None scheduled

Nov. 28: None scheduled

Nov. 29: None scheduled

Nov. 30: None scheduled

“O/I” designates Out-and-In Operations, which are non-detachment operations where aircraft transit from Norfolk to Wallops for training and then return to Norfolk. “

Field Carrier Landing Practice provides Navy E-2 Hawkeye and C-2 Greyhound pilots critical training to qualify them for landing on aircraft carriers underway at sea.

Wallops will issue the weekly FCLP schedule on the Wednesday before the week of scheduled operations via www.nasa.gov/wallops. The next FCLP schedule will be published Wednesday, Nov. 27, for FCLP operations planned the week of Dec. 1-7.

For questions about flight operations or noise concerns, call 757-322-3431.
